....Let's Elect a Real Reformer to the State Senate

MARK LEVINE Democrat *for* State Senate

"Albany is a disaster. To bring change to our state capitol, we need new leaders who are not part of the status quo. We need elected officials with the highest standards of ethics and integrity. On September 14th, cast a vote against Albany dysfunction and for *real* reform in our state government. As I have always done, I will continue to fight for the progressive, activist values that we care about most."

- Mark

COMMITTED REFORMER

As a Democratic District Leader, Mark has been an unwavering fighter for government reform and will push for non-partisan redistricting, campaign finance reform and real ethics enforcement in Albany. Mark is running to change the 'business as usual' attitude now plaguing our state government.

LEADER IN EDUCATION

Mark began his career as a bilingual math and science teacher at JHS149. He went on to be the Executive Director of Teach for America-New York and is now the Executive Director of the Center for After-School Excellence. Throughout Mark's professional career, he has remained committed to improving the quality of our kids' education.

COMMUNITY ACTIVIST

Mark founded the Barack Obama Democratic Club of Upper Manhattan, harnessing the positive activism of the 2008 Presidential campaign. The club is committed to progressive values: universal health care, LGBT rights, improved public transportation and maintaining the quality of life in our unique neighborhoods.

PROBLEM SOLVER

Seeing the lack of resources available for low-income families in the community, Mark founded the first and only community credit union in Upper Manhattan. The not-for-profit provides millions of dollars in micro-loans to small businesses and families. These loans have helped local families start small businesses, pay for education and become homeowners.

- Lives in our community with his wife and two sons, who attend PS187.
- A graduate of Haverford College and Harvard University.
- Former public school teacher and current Executive Director of the Center for After-School Excellence.
- Founder of the first and only community credit union in Upper Manhattan.

Primary Election Day - Tuesday, Sept. 14th
