REAL RESULTS FOR PROGRESSIVE REFORM RESULTADOS REALES PARA UNA REFORMA PROGRESIVA

"Mark hasn't just talked about progressive values, he has organized to make change. He founded our community's newest Democratic club, which has become a powerful vehicle for people like me to fight for tenants' rights, better schools, marriage equality, and a cleaner environment."

"Mark no solo habla de valores progresistas, ha organizado y ha producido cambios. El fundó el club democrata mas reciente en nuestra comunidad, el cual se ha convertido en un vehículo para personas como yo poder luchar por los derechos de los inquilinos, mejores escuelas, igualdad matrimonial y un ambiente mas limpio."

REAL RESULTS FOR OUR SENIORS RESULTADOS REALES PARA NUESTROS ANCIANOS

"Many of my friends depend on Access-A-Ride to get around the city. As Chair of the Community Board Transportation Committee, Mark fought to keep this program's funding and keep our seniors mobile. I know as our next State Senator, he'll continue to fight for the programs our seniors depend on."

"Muchos de mis amigos dependen de Access-A-Ride para moverse por la ciudad. Como cabecilla del comité de transporte de nuestra junta comunal, Mark luchó para mantener los fondos de ese programa. Como nuestro próximo senador estatal, yo sé que luchará por los programas que mas necesitamos los ancianos de nuestra comunidad."
